Student I.D. Number:

UA Email Address:

Mailing Address:

Local Telephone:

College:

Major:

Other Minors:

Expected Graduation Date:

College Algebra Course # (or higher):

Overall UA Grade Point Average:

Units Completed:

To complete this application:

1. Resume – Attach a one page resume. It is appropriate to include part-time employment, internships and extracurricular activities.
2. Essay – Attach an essay that describes your reasons for enrolling in the Finance Minor. Limit the essay to one page, double-spaced, 10-12 point font. Include your name on the essay.
3. Acknowledge your understanding of the following program requirements by signing below:
 - The Finance Minor program is a one summer program during pre-session, summer 1 and summer 2 of the same year. The student makes the commitment to enroll for and complete at least four finance minor courses during a single summer, as required to complete the minor.
 - ECON 200 and ACCT 200 (or ACCT 250) will be taken prior to the finance courses in the minor program.
 - The student acknowledges that six units is a full load for summer sessions 1 and 2, and that three units is a full load for pre-session (choosing to complete six units then is optional).
 - The University of Arizona does not allow double counting of a course for more than one major or minor. If you are using ECON 200, ACCT 200 or ACCT 250 for another major or minor, you must take an additional course. It is preferred that you take the fourth finance minor elective available during summer session. See Eller Finance Advisor for options and approval.
